Re: United States v. Johnny Morgan, 12 Cr. 223 (VM)

Dear Judge Marrero:

This firm represents Defendant Johnny Morgan in the above-referenced matter. The defense is presently scheduled to file a Daubert motion regarding the admissibility of the Low Copy Number DNA testing that was utilized in this case by Friday, December 20, 2013. We write to respectfully request a brief adjournment of time of one business day, until Monday, December 23, 2013. The reason for this request is that the defense needs additional time to consult with its expert, who is located in the United Kingdom. The government consents to the requested extension of time.

We appreciate the Court's attention to this matter.

Respectfully submitted,

Rita M. Glavin
